SUGGESTED LESSONS FOR PRE-KINDERGARTEN/PRESCHOOLERS

The committee recommends teaching basic concepts associated with cultural diversity topics as these young children begin to:

1. Value printed material and demonstrate awareness of print concepts.
2. Demonstrate listening skills.
3. Engage in conversation using appropriate vocabulary about familiar surroundings and events.
4. Retell stories.
5. Notice and react to similarities and differences (i.e., appearance, gender, behavior) between themselves and others.
